

Dear Contributor,

The proceedings for LIDINE 2019 held on August 28-30 at the University of Manchester will be published in the Proceedings Section of JINST, Journal of Instrumentation.

To prepare your contribution for submission, please use the JINST Proceedings templates at http://jinst.sissa.it/jinst/help/JINST_TeXclass.jsp

Kindly notice that the number of pages should not exceed 5 pages (excluding author list, abstract and references).

When writing your contribution, in addition to the scientific quality and relevance of the subject matter, it is advisable also to check the quality of formatting, language and style (i.e. incoherent use of unit of measure; different conventions used in the same paper such as abbreviations "\3 s", "\3 sec", "\3 seconds" and position: "\3C", "\3 C"; poorly organized tables; etc.)

When your contribution is ready for submission, please follow the instructions below:

1. Connect to <http://jinst.sissa.it> and register;
2. in the "Submit" section of the page select the link "submit a proceedings contribution";
3. select the LIDINE 2019 conference from the list;
4. follow the step-by-step procedure for submission, referring to the instructions available in the section "For Authors" at the top of the JINST home page (<http://jinst.sissa.it/jinst/help/helpLoader.jsp?pgType=author>).

Kindly make sure you submit your LIDINE 2019 contribution by November 15, 2019.

For any further information and assistance, do not hesitate to contact me and the JINST Editorial Office (jinst-eo@jinst.sissa.it).

Yours sincerely,
